Hi Mike,

Good to hear from you. I would love to fill you in on all of the progress we have made with SAAS, but this puts me in an unfortunate position.

At this time, I have to follow our counsel's directive and hold off.

I look forward to getting you up to speed once everything is settled, hopefully soon.

All the best,  
Jake

Hey Jake - I hope you are doing well. I'd appreciate the opportunity to connect with you on how we can continue to execute on the Breaker business plan.

There's a lot to unpack so best to chat live. When might be good for you? Perhaps 9:30am PT tomorrow? Or what works.

(FYI I sent this to your personal email in case you felt awkward responding from your Breaker account)

Mike
